VI. Read the test and decide whether the following statements are true (T) or false (F)

Family Camping

There are many popular leisure time activities, but one of the most enjoyable is family time. Most people enjoy being with their families. There are many things to do with your family, too. Families can go to the movies, travel, visit museums, and play sports together. The most common family activity is probably camping. Many families like camping. It is a chance for the whole family to work together. They can stay in the wild. Children gather dry wood for the fire. Their parents set up the tents. Then the whole family gathers around the fire. They enjoy a special meal together. Then, they set off into the woods with a compass and a map. After hiking the trails, everyone gets a fishing pole. Each person casts the fishing line out into the river. Who gets the biggest fish? It's a great contest. Later, the children clean the fish by the river. They take the scales off the fish. Mom fries the fish over the campfire. Dad cleans up when everyone is finished. You don't want wild animals coming to eat your leftovers! Then everyone goes into their tents for a restful night. While there are many things that families can do together, camping is probably the most exciting.
