

# Present Simple Passive

'Ruel' is welcomed  
to Thailand.

**F  
O  
R  
M**

Basic steps to form the passive voice:

1. The object of the active becomes the subject of the passive.
2. We add "is/am/are" when the main verb of the active is present.
3. In negative or interrogative sentences the auxiliary "to do" is replaced by "to be":  
- do(n't) / does(n't) become is(n't) / are(n't);  
- did(n't) becomes was(n't) or were(n't).
4. We turn the main verb of the active into the past participle.
5. If we need or want to add the agent of the passive, we must use "by".
