

# HOW DO YOU TRAVEL AROUND THE CITY?

I go to work by rollerblades. It's a <sup>1</sup>fast (asft) way to travel and it's very <sup>2</sup>h (ehtlhya) because I get lots of exercise. Sometimes it feels quite <sup>3</sup>d (dnesaurog) with so many cars around me, and it's a little <sup>4</sup>i (icnietnveonn) because I need to change into shoes when I go into my office. But rollerblades are a lot of fun.

**Tony Jones, film producer**

rollerblades

skateboard

I go everywhere by skateboard. True, it takes a long time to learn because it's <sup>5</sup>d (idticulff) to ride one, but it's very <sup>6</sup>c (oeneintenv) – when I go into a shop, I just pick up the skateboard and carry it like a book!

**Joel Williams, musician**

I use my scooter all around the city. It's <sup>7</sup>s (eafs) it's <sup>8</sup>e (yeas) to ride and it's more <sup>9</sup>c (forebltaome) than rollerblades or a skateboard because balancing isn't a problem. Sometimes you see scooters with motors on them, but those are really <sup>10</sup>p (tuinpogll). 'Go green,' I say!

**Nanci Levine, student**
