### How to ... Survive at a Party (when you don't know anybody)

- 1 **Don't stand in the corner.** You need to be positive. Find somebody you think you would like to talk to and introduce yourself.
- 2 **Try to ask impersonal questions** like "I love your bag. Where did you get it?" This will help to start a conversation.
- 3 **Don't dominate the conversation.** When you are nervous, it's very easy to talk about yourself all the time. Nobody wants to listen to your life story when they have just met you for the first time.
- 4 **Smile!** Use your body language to give a positive, friendly impression.
- 5 **If you need to escape** from a really boring person, say that you are going to get a drink or that you need to go to the bathroom. Don't come back!
