

“What you don’t know about Women”

- 1- Look at the title of the song. Who do you think is aimed at?
- 2- Watch the video and tick the sentences in bold if they are RIGHT

What you don't know about women

Could fill a shelf of books

You are the type of man who looks

For understanding partners

But never understands the girl

Who lies beneath the covers

You only have to **open up your mouth to speak**

What you don't know

About women

A woman needs to be assured

That she remains alluring

To now and then be reassured

Your passion is enduring

It's not enough to know your line

To polish and routine it

(And heaven knows i know your line

The whole routine, i've seen it)

Ya gotta say it

What you don't know about women (x2)

Is what we need to listen

You think if you can **be sincere**

Then we'll come running to you

Throw in some truth for atmosphere

But we can see right through you

And ev'ry hollow compliment and phrase defines

And underlines

What you don't know about women

You think what I don't know will not hurt me

But you don't know how sometimes you do

How long ago did good sense desert me

I don't know why i still burn for you

You're mature and shortsighted

You're an incurable player

You show a lack of discretion

You don't know jack about heartache

You're out of sync with your feelings

You only wink at commitment

You're running high on emotion

What you don't know about women's

Only a drop in the ocean

Next to what you don't know about me

You are in need of

A little enlight'ning

On ladies and love

But you can't see

What you don't know about women

Is fright'ning

And you don't know nothin' about me

3- Listen to the song again. Correct the sentences in bold that are WRONG. Write the correct word.

4- Speaking: Answer the questions

a- What's the message that the song wants to convey?

b- What's the woman complaining about?

c- What's the difference between woman and men in how they express their love towards the others?

d- Is there any other difference between women and men in other aspects of their lives?
