There are white beaches and you can go swimming, windsurfing and sailing.

DAY 2- There are a lot of lakes and rivers. One of the rivers is the Golo- it's 90 kilometers long. I want to swim in the lake but mom doesn't like cold water, and the water in the lake is colder than the water in the sea.

DAY 3- It's a beautiful day. I want to go rock climbing but dad says walking in the mountains is safer.
