

**1 Watch, listen and enjoy.**
**\*Truly Madly Deeply\***

I'll be your dream, I'll be your wish, I'll be your fantasy  
I'll be your hope, I'll be your love, be everything that you need  
I'll love you more with every breath, truly, madly, deeply do  
I will be strong, I will be faithful 'cause I'm counting on

A new beginning, a reason for living  
A deeper meaning, yeah

I wanna stand with you on a mountain  
I wanna bathe with you in the sea  
I wanna lay like this forever  
Until the sky falls down on me

And when the stars are shining brightly in the velvet sky  
I'll make a wish, send it to heaven then make you want to cry  
The tears of joy for all the pleasure and the certainty  
That we're surrounded by the comfort and protection of

The highest powers in lonely hours  
The tears devour you

I wanna stand with you on a mountain  
I wanna bathe with you in the sea  
I wanna lay like this forever  
Until the sky falls down on me

Oh, can you see it, baby?  
You don't have to close your eyes
