How I met my best friend

☐ We met on the first day of high school. I was very shy, and I felt nervous on my first day.

☐ We are very different. I'm pretty serious. But Adriana is a very relaxed person, and she's a really good listener. And she's the funniest person I've ever met. We laugh all the time.

[a] My best friend is Adriana Costa.

☐ We do everything together! We both like the theater and art. We visit museums and we love shopping!

☐ Adriana knew everybody, and everybody liked her. I liked her too, but I thought she was too cool, and I was too shy. But she still liked me! I was sitting alone in the classroom when she sat down next to me. She was very nice to me, and we became good friends.
