Dear cyclists,

I hope you're all excited about our mountain biking trip on Saturday. Here are a few rules for the trip, to make sure everyone is safe.

- You wear a helmet!
- You have a light on the front of your bike. It may be dark at the end of the day.
- You stay close to your friends.
- You ride off the road.
- You keep both wheels on the road. No tricks! ☹️
- You talk on your phone while riding.
- You forget to check your brakes. You need good brakes on big hills.
- You be late. We are going to start at ten o'clock, not ten past ten!

Please remember these rules and we'll have a great trip! See you on Saturday!
