Q1) Read the text then answer the questions below:

Martin Harris and his family live in an interesting house. It's an eco home. Eco homes don't harm the environment. They use alternative energy. They don't use fossil fuels like coal or oil, so they don't use up the planet's resources or produce dangerous gases.

The eco home is in a hill in Wales, UK. It looks like a house in a film. Half of the house is underground. Martin and his family started to build the house in March and moved in at the end of July. The house was very cheap to build. It has wooden beams and wooden floors. It has stone and mud walls and it has a skylight in the roof. There are solar panels on the roof to make electricity for the lights, CD player and computer. The family gets water from a spring and they burn wood to heat the house.
