Bike Race New Date

20-04-2020 07:00

The Tour de France is a very popular bike race. It takes place in France every summer. It lasts three weeks. It starts in the city of Nice. The last part is in Paris.

This year, organizers change the date. The coronavirus is in France. The French government cancels all big sports **events**. The new date is in August. Organizers want to make the race safe for cyclists and **spectators**.

Organizers do not want to cancel the race. It brings a lot of money. Companies give money to the teams. The teams show the companies' **logos** on their sport dresses. It is a good business for everybody.
