

A. Choose A, B, C, or D for the correct answer.

The following dialog is for questions 1 to 3.

- Sakti : To increase our skill in utilizing the outdoor gear and surviving in nature, let's make a camp on Mount Prau.
- Berti : That is a good idea. The other scout members must love this agenda. By the way, why do you choose Mount Prau as the camp destination?
- Sakti : It has an easy track in order to suit the new members' capabilities in hiking the mountain.
- Berti : I think you're right. We can do a lot of activities there too.
- Sakti : Yes, we will train them to handle fire, treat wounded people, and many more. That must be interesting.
- Berti : Absolutely! Anyway, when will we start the camp?
- Sakti : We need to discuss it in detail with the whole members and school's representatives, but I think we can hold it during next month's holiday.
- Berti : I agree.

1. What is the purpose of camping on Mount Prau?
 - A. To increase scout members' skills in utilizing outdoor gear and surviving in nature
 - B. To introduce new scout members about nature and the way to preserve it
 - C. To adapt them with height and teach them how to handle fire in nature
 - D. To make a fun recreation for new scout members
2. What will Sakti and Berti probably do next?
 - A. Invite all the new members.
 - B. Go to Mount Prau to make a survey.
 - C. Have a meeting with the whole scout members about the plan.
 - D. Prepare supplies to hike Mount Prau.

- 3.** What can you infer from the new scout members?

- A. They will have a camping experience.
- B. They are novices in doing outdoor activities.
- C. They have the capability in handling wounded people.
- D. They are skillful in handling outdoor equipment.

The following dialog is for questions 4 to 7.

- Bagas : Bella, do you have trash bags?
- Bella : Yes, I do.
- Bagas : May I have them?
- Bella : Sure. Anyway, what do you need them for?
- Bagas : To place trash from the beach near my uncle's house.
- Bella : Are you going to clean the beach?
- Bagas : I am. It is very dirty. Fishermen and I are going to clean it in order to protect marine life and to make visitors feel comfortable while enjoying the beach.
- Bella : I see. May I join?
- Bagas : Of course. I will invite friends, too.
- Bella : Ah, that's great!

- 4.** Why does Bagas ask Bella for trash bags?
- A. He is going to go to his uncle's house.
 - B. He is going to recycle plastic bags.
 - C. He will pack fish from the fishermen.
 - D. He will collect rubbish in the trash bags.
5. What is their main purpose of cleaning the beach?
- A. To recreate the beach area into a more useful place for tourists
 - B. To protect marine life and make the beach more convenient
 - C. To increase people's awareness of healthy environment
 - D. To earn money by selling the trash to a trash bank
6. What will Bella do next?
- A. Invite other friends to join her cleaning the beach
 - B. Make conservations to protect marine life
 - C. Ask fishermen to clean the beach
 - D. Join Bagas cleaning the beach

7. What can you learn from the dialog?
- Always keep the environment clean to protect living things around you.
 - Recycle waste in order to have more valuable things from trash.
 - Minimize the use of plastic bags to reduce plastic waste.
 - Protect nature by planting a lot of trees.

The following dialog is for questions 8 to 11.

Rino : Tyas, did the OSIS committee hold a meeting to discuss the Earth Day?
 Tyas : We did.
 Rino : That's great! What events will we have?
 Tyas : There is the cleanest class competition, a working bee to clean the school environment, and a recycled item competition.
 Rino : That will be interesting. Those activities will make our school clean.
 Tyas : Yeah! We hold those activities to raise our awareness of having a clean environment.

8. What are the speakers talking about?
- The cleanest class competition at school
 - The activities to reduce trash
 - The school anniversary events
 - The Earth Day events
9. According to the dialog, we know that Tyas is _____.
- a class captain
 - one of the OSIS members
 - one of the OSIS committee
 - one of the teachers at school
10. What is the purpose of holding the event?
- To increase the students' creativity in recycling items
 - To raise students' awareness of clean environment
 - To recycle wasted items around the school
 - To make a charity by collecting used clothes
11. Tyas says, "There is the cleanest class competition, a working bee to clean the school environment, and a recycled items competition."
 What is the meaning of the underlined phrase?
- A private workplace to do things
 - An activity that must be done alone
 - A loan from someone else to help people

- A voluntary job done by certain community

The following dialog is for questions 12 to 15.

Nizam : Our garden looks so messy. Do you have any idea to make it better?
 Yudha : Hmmm. I intend to make a vertical garden from mineral bottles and hang the bottles on the wall. It will make the garden tidier and we are still able to accommodate Mom's hobby in gardening. Do you agree with me?
 Nizam : I completely agree with your idea. How do we make it?
 Yudha : I've searched from the Internet about it. We grow plants, such as small flowers or vegetables in the bottles, and we hang the bottles using wires on the wall. We just have to find many used mineral bottles as the pots.
 Nizam : I think I know where to find the used mineral bottles.
 Yudha : All right. You take care of the bottles, while I collect the seeds.
 Nizam : No doubt about it, but I think Mom and Dad must know our plan.
 Yudha : Yes. Let's tell them about it.
 Nizam : O.K.

12. What do the speakers intend to do to their garden?
- They will cut some trees.
 - They are going to tidy up the garden.
 - They are going to water the plants.
 - They will utilize mineral bottles as the garden decorations.
13. What will they probably do next?
- Collect seeds
 - Water the garden
 - Find many used mineral bottles
 - Tell their parents about the plan
14. What does 'vertical garden' in the dialog mean?
- A garden which is designed vertically
 - A garden that is built using a terracing design
 - The plants from the pots hang on the wall which grow vertically
 - The method of watering plants using a small fountain that falls vertically
15. Nizam says, "No doubt about it, ..."

What does he mean?

- A. He agrees with Yudha's idea.
- B. He has a different opinion from Yudha.
- C. He compliments Yudha because of his idea.
- D. He doubts that his parents will support his plan.

The following text is for questions 16 to 18.

I am Rita, a ninth grade student of SMP Peduli Bangsa. I want to tell you about my hobby. I always bring a pocket camera wherever I go. I can take many photographs and videos from any scenes when I go somewhere. I also become a citizen journalist when I capture rare moments, such as accidents or natural events, and report them. Sometimes, I upload them on my blog or the opinion rubric of a newspaper. I can earn some money by doing this. I really love taking pictures and videos. I hope someday I can be a professional journalist that can spread news to the whole world.

16. Why does Rita love to bring her pocket camera?
- A. She is a journalist.
 - B. She wants to be a citizen journalist.
 - C. She works for a newspaper agency.
 - D. She loves to take photographs and videos.
17. What is her dream for the future?
- A. Traveling all around the world
 - B. Having a more sophisticated camera
 - C. Becoming a professional journalist
 - D. Interviewing famous and influential people
18. "I also become the citizen journalist when I capture rare moments"
- What is meant by the underlined phrase?
- A. A correspondent who usually takes photographs for news
 - B. An ordinary person without special training who captures events as news
 - C. A journalist from a newspaper agency that reports news in the middle of the society
 - D. A TV station reporter who interviews common people related to an event

The following text is for questions 19 and 20.

I like to walk to school. It will make my body healthy. I usually walk to school 30 minutes before the class starts. It only takes about 15 minutes walking from home to school. Apart from being healthier, I can also meet more people on my way to school. My neighbors always greet me whenever

I pass their houses. Sometimes, they also offer me a ride to school.

19. What is the text about?

- A. The speaker's friendly neighbors
- B. the speaker's intention to be healthy
- C. the speaker's habit when going to school
- D. the speaker's environmental situation in the morning

20. What can you conclude from the writer?

- A. He/she is a humble person.
- B. He/she is a disciplined person.
- C. He/she is the healthiest person in school.
- D. He/she always hitchhikes his/her neighbor to school.

B. Fill in the blanks correctly.

The following dialog is for numbers 1 to 3.

Widhy : Where are you going?

Miko : I'm going to Mr. Hasan's grocery store to buy flour.

Widhy : What is it for?

Miko : I'm going to make *Mantau* bread, traditional bread from Pare-pare.

Widhy : I've never heard that. What does it look like?

Miko : It is like a bun bread, but it has a white color and is fulfilled with chocolate or any other bread fillings.

Widhy : That sounds delicious.

Miko : If you want to know how I make it, you can come to my house. I'll show you how to make it.

Widhy : Are you sure? Thanks.

1. Miko is going to Mr. Hasan's grocery store to _____.

2. Widhy's intention in asking "What does it look like?" to Miko is to _____.

3. According to the conversation, Widhy is going to visit Miko's house to _____.

The following text is for numbers 4 and 5.

Since distance learning starts, we stare at the gadget screen for a longer period. To maintain our eyesight, we need to manage our time in starring our gadget screen well. We have to take a break for some minutes by seeing something that is away from us. It is very useful for our eyes' muscles to
