Man: I live in Mexico city. It is a fantastic city. There are a lot of interesting things to do in Mexico city. I think people should visit the main square. It is called the Zocalo, and it really big. I also think that people should go to the top of the Pyramid of the Sun. There are 250 steps to the top, but the view is fantactic!

Woman 1: Right now I live in Florance, Italy. Florence is a very popullar city, and we get a lot of tourists. Many people come there for the great art. People should see the Statue of David, by Mychellangelo. It's a really famous statue. People should have ice cram here. Italian cream is delicious. You can buy it all over the city.

Woman 2: I live in a great city, Istanbul, Turkey. There's so much to see and do here. One very famous tourist site is the Tokapi Palace (dinh thự). It's beautiful. Yeah, tourists should also defenitely visit the palace. Visitiors should also go on a boat from the European side of the city to the Asian side. That's pretty cool.

IV. Write and tell me about your city.
