

**A** – Have you ever felt lost in life? (Who am I? What to do? Where to go?)

**B** – In this situation, what is a good idea to do to make up your mind?

**C** – Match the words to the pictures, listen to the song and use the words and clues to complete the song.

### Don't fade away

(Coverdale)

As I stand at the \_\_\_\_\_,  
I see the sun sinking low  
With my cross of \_\_\_\_\_,  
I can't tell which way to go  
Now I \_\_\_\_\_ (see) the seven wonders  
And I \_\_\_\_\_ (sail) the seven seas,  
\_\_\_\_\_ (walk) and \_\_\_\_\_ (talk) with angels,  
And \_\_\_\_\_ (dance) all night with gypsy queens

All in all it's \_\_\_\_\_ a rocky road,  
Twists and turns along the way  
But, I still pray for tomorrow,  
All my hopes, my dreams  
Don't fade away  
Don't fade away

I \_\_\_\_\_ (paint) many portraits,  
Memories of love and pain,  
Though cut down by life's deceptions  
I found the strength to start again

All in all it's been a rocky road,  
Twists and turns along the way  
But, I still pray for tomorrow,  
All my hopes, my dreams  
Don't fade away  
Don't fade away.

Heaven help a man  
Trying to make up his mind,  
With the darkness closing in,  
I feel I'm running out of time  
Shine a light for me,  
Help me find the way to go,  
And take me where \_\_\_\_\_ never \_\_\_\_\_ (be) before

And so I stand at the crossroad,  
Watching the sun sinking low  
With my cross of indecision,  
Trying to find the way to go

All in all it's been a rocky road,  
Twists and turns along the way,  
But, I still pray for tomorrow  
All my hopes, my dreams  
Don't fade away
