Listen and read.

**Mai:** Check out this book, Phuc. 'My Mini Guide to Dog Training'.

**Phuc:** Sounds great! Max'll like it too. Last weekend we learnt some tricks. I love to watch him. It's so much fun... Have you found your craft kit?

**Mai:** Yes, I've found this one. It's got everything: beads, stickers, wool, buttons... I don't know, it'll take all my savings.

**Phuc:** But it's right up your street! Nick, what's that?

**Nick:** It's a CD of Vietnamese folk songs. I'll listen to it tonight.

**Mai:** And you'll be able to improve your Vietnamese!

**Nick:** Ha ha, not sure about that. But I think I'll enjoy listening to the melodies.

**Phuc:** Look at the language website I sent you. It'll help you learn Vietnamese more easily.

**Nick:** Yes, I liked reading Doraemon comics while I was learning Japanese.

**Phuc:** Stop reading comics! I'll bring you my favourite short story this Sunday when we play football.

**Mai:** Sorry but we have to hurry. Mum and dad are waiting. We need to buy some tools to build a new house for Max this weekend.
