MAKING CONNECTIONS

THE BIRTHDAY SURPRISE

Today is my birthday and I am so excited! I wake up early and jump out of bed as quick as a flash. I zoom down the stairs and run into the lounge room where I see a pile of presents in the middle of the floor. There is also an enormous chocolate cake on the kitchen bench. I spend my morning unwrapping presents with my parents. I got a new brand bike and a really cool school bag. In the afternoon my friends all arrive for my birthday party. There is a clown, a jumping castle and lots of party food. We play lots of fun games like pass the parcel, pin the tail on the donkey and musical chairs. Everyone is laughing and having a great time. At the end of the party I get to hand out party bags to all my friends as they leave. That night my parents cook my favourite food, chicken snitzel with chips and salad, and then we have left over birthday cake for desert. I finally fall into bed with an enormous smile on my face. I am so exhausted but I've had the best day ever and I can't wait for my birthday next year!
