The interface features a central purple circle with five white square slots. To its left is a green circle containing two purple flowers, with the equation $2 + 2$ above it. To its right is a yellow circle containing two white flowers, with the equation $2 + 2$ below it. Below the green circle are three blue-outlined boxes containing the numbers 2, 4, and 3. Below the yellow circle is a blue-outlined box followed by two rows of flowers: the first row has two purple flowers and the second row has two white flowers. A grey button labeled 'ARRASTRA' is located below the number boxes. A green heart icon is in the top left, and a rainbow icon is in the top right. Mouse cursor icons are placed near the green and yellow circles and the 'ARRASTRA' button.
