

4. Genius Trivia

Trivia is unimportant facts or details that are considered to be amusing rather than serious or useful. By answering questions and learning, you're improving your cognitive skills. Retaining information about topics you're interested in is like an exercise for your mind, allowing you to expand your intelligence and improve mental capabilities.

1. What does "www" stand for in a website browser?

2. How long is an Olympic swimming pool (in meters)?
