

Rational Cloze

Cloze 1

Choose the **best** answer from the options **A, B, C** and **D**.

The Education Ministry has called for public opinion on caning in schools. It wants to decide 1 the cane should be brought back to the classroom to 2 discipline. Discipline among schoolchildren has worsened. In 1983 the Ministry issued guidelines to 3 teachers did not misuse their authority and abuse students. Unfortunately this has had an adverse 4. Students today do not have respect 5 authority and are not afraid of their teachers. In fact they are not even afraid of their own parents. Students have become more rude 6 undisciplined as they know teacher cannot cane them. An informal telephone poll shows that many people are in favor 7 using the cane as it is an effective deterrent. Others 8 the idea as they feel that 9 should remain the parents' responsibility. They fear that teachers 10 abuse their power.
