

La tabla del

5

Escribe los resultados de la tabla

$$\begin{array}{l} 0 \times 5 = \square \\ 1 \times 5 = \square \\ 2 \times 5 = \square \\ 3 \times 5 = \square \\ 4 \times 5 = \square \\ 5 \times 5 = \square \\ 6 \times 5 = \square \\ 7 \times 5 = \square \\ 8 \times 5 = \square \\ 9 \times 5 = \square \\ 10 \times 5 = \square \end{array}$$

Ahora... ¡desordenados!

$$\begin{array}{l} 3 \times 5 = \square \\ 10 \times 5 = \square \\ 2 \times 5 = \square \\ 5 \times 5 = \square \\ 1 \times 5 = \square \\ 6 \times 5 = \square \\ 4 \times 5 = \square \\ 8 \times 5 = \square \\ 7 \times 5 = \square \\ 0 \times 5 = \square \\ 9 \times 5 = \square \end{array}$$
