"WORKING DAY "

Listen. Take notes. Comment. Discuss your ideas with your partners.

Watch the video. Compare and contrast.

Read the text and fill in the gaps with the missing words. (Be careful. There are extra words)

DATE / forest / snow / look / waters / water / music / finished / smaller / finishes / wait / ready / gets / helmet / door / alarm / dressed / brushes / have / calendar / toilet / get / kitchen / breakfast / hands / lunch / small / has

The of a clock are ticking. Then the clock rings. **Time to wake up!** Somebody up, gets, goes to the He washes his face and his teeth. Next, he goes to the and prepares breakfast. He toast and white coffee. While having....., he pays attention to the

"FEBRUARY 14th, COMPLETION"

He has to hurry up and go back to work. He puts on his working, he picks up the tool box, opens the and leaves his house.

The background changes.

The man is now in the middle of a He shapes the summit of a mountain, then he covers mountains with Later, he trims the trees, and the lakes.

Suddenly, a group of aborigines appears. They at him very angrily. These men are than the worker.

The man says "Hi!, I'm sorry. It's not yet.
Do you think you could wait here a moment... It's almost"

The natives accept and they for a moment.

Later, the worker everything and goes away.

The men kneel down, bow to him and cheer up!

THE END
