After traveling around, Hawaii, America. We arrived at home and the best way to say goodbye to the project is with Asturian music. Enjoy!! Thanks to Lisardo and his band. It is a beautiful song.

Where was he born?

What is his favorite kind of music?

What musical instrument did he play before the violin?

Does he play in any band? Write.

What is his favorite song?

Now, you are going to be a journalist. Think about two questions to ask to Lisardo.
