REFERENCE

Compounds: Environment

Two words: *air pollution, water pollution, green spaces, nature reserves, wild animals, climate change, habitat loss*
Hyphens: *over-fishing*
One word: *wildlife*

Future Conditional

We use the Future Conditional to talk about possible future events, when they depend on other future events:
*If it **rains**, we'**ll stay** at home.*
*They **may leave** without us if we're late.*

Form

if + present simple, (condition)	***will/may*** + infinitive (consequence)
will/may + infinitive (consequence)	***if*** + present simple (condition)

We use the Present Simple (not *will*) after *when*, *before* and *as soon as* to talk about the future:
*I'll help you **when I come** home.*
***Before they start** cooking, they'll clean the kitchen.*

LIVEWORKSHEETS

Compounds: Environment Complete the words in the description.

In my city, Buenos Aires, there are lots of green [1] *spaces* like Lezama Park. There is also La Costanera, a very big nature [2]_____ next to the Plata River; it has got lots of wildlife with many wild [3]_____ like birds and reptiles. There are also quite a few environmental problems in my city. There are a lot of cars and buses and they cause ninety percent of the air [4]_____ in the centre. Water [5]_____ is a problem, too and the Plata River and other smaller rivers are badly polluted. There is definitely climate [6]_____ in Buenos Aires - my grandma says that the winters were colder forty years ago.
