My dream house

I want to have a new house. In my dream house, there is a ground floor, a first floor, a basement, and no attic. There are two bedrooms, two bathrooms, a kitchen, a study room, a living room and a dining room. And there is also a yard, a garage, a swimming-pool and a dog house. In the bedrooms, there are beds, three tables, closets and a bookcase. In one bathroom there is a bath tub, a sink, a mirror and a toilet. In the other bathroom there is a shower, mirror, a rug and a toilet. In the basement, there is a washing machine and two bikes. In the kitchen, there is a stove, an oven, a refrigerator, a sink, a dishwasher, a microwave and a lot of cupboards. In the study room, there are two computers, three desks, three chairs and five bookcases with books. In the living room there is a big television, a sofa, a coffee table and a rocking chair. In the dining room there is a big table and twelve chairs. My favorite room is the living room. I love my dream house.
