

► Listening for specific facts

When you **listen for specific facts**, you want particular information like a person's name, a price or a telephone number. Again, other details aren't important and you don't need to understand every word. This is like the reading skill of scanning.

1  Listen to five short extracts and write down the names of the places that you hear.

1 2 3 4 5

3 1  Listen to five short extracts and write down the numbers that you hear.

1 2 3 4 5

Listen and write.
