VI.Read the passage, then decide if the statements that follow it are True or False

There is so much that students can do with the Internet. Not only can they communicate with international students, they can also widen knowledge and experiences, participate in chat room, share ideas and solutions and learn about the many different cultures out there.

While the Internet does a lot for students, there are also benefits for parents and teachers. The interactive learning that the Internet provides can help students and parents with little or no English skills to learn English.

More and more schools are using the Internet to learn about things that can't be taught in a regular classroom. All the information, images, and computer software can be reached immediately.

23. Nobody can deny the benefits of the Internet.

24. Students can't learn independently on the internet.
