Questions 8-10 refer to the following text:

Read the passage and finish the sentences according to the information given.

Johnny was upset and when he came into the house, he didn't want his mother to see him. It was not because of the mark on History. He had expected to get it after his coming so late the day before. It was because of Alice, the girl who sat next to him in the class. He couldn't say that she was beautiful, but there was something in her eyes that made his heart leap.

During the first break she told him that she would go to the café with him to have an ice-cream and all the day he was thinking about it.

At noon she sent him a note and said that she would meet him near the café in two hours. He came at a quarter to two and was nervously walking near the door.

The time had come, but Alice didn't appear. And then, all of a sudden, he heard a strange noise in the near-by bushes. He came up to see and saw that the girls from his class were watching him and laughing. And Alice was among them!!!
