### LISTENING ACTIVITY

Play the audio on each photo and choose the most appropriate topic.

**PANDEMIC PSA: PROTECT YOURSELF AND OTHERS**

**Wear A Mask!**

Think face coverings are one of the most powerful weapons we have to slow and stop the spread of the virus. — CDC Director Dr. Robert Redfield

Use soap and warm water for 20 seconds to remove germs! If you don't have access, use hand sanitizer with at least 60% alcohol.

**Wash Your Hands Often!**

The recommended distance from others who are not from your household is 6 feet!

**Watch Your Distance!**

Don't take unnecessary trips. Protect yourself and others. We're all in this together!

**Do Your Part to Keep Others Safe!**

1

**Save the Arctic**

"Every summer, some of the ice around the Arctic melts. Every winter, it freezes again. But in the last hundred years, the earth has gotten warmer. A little more ice melts each summer. Each winter, the water is slower to freeze back into ice."

"This polar bear is a fierce, smart hunter. But he cannot survive with no place to hunt. Without ice, polar bears will become extinct-gone forever. If the ice doesn't stop shrinking, he may be the last polar bear."

**Take Action Today!**

2

**Remember: TEST ON TUESDAY!**

Where is everyone? We are supposed to have a test!

It's raining?

It's Tuesday?

### READING COMPRENSION

Read the following PSA and choose if the statement is TRUE or FALSE.

## PUBLIC SERVICE ANNOUNCEMENT

For the safety and well-being of everyone and in compliance with the government directives to contain the spread of COVID-19, the CMU **Cashier Unit** will be closed temporarily effective today, **August 19, 2021**, until further notice.

For payment transactions, everyone is advised to pay online via **Link.BizPortal**.

Thank you for understanding. Stay Safe.

8. The CMU Cashier Unit will be closed temporarily for a company party.

9. You can pay online for your payment transactions.

10. This advisory is only made to comply with government directives.

11. We should do Self-isolation when we have mild symptoms.

12. If a person has a simple cold, then he/she has a mild symptom.

13. We can call the CU Health Service Center whenever we like.

14. If you have difficulty breathing, and chest tightness then you have severe symptoms.

15. When with others, we must always wear a mask.

**Q:** What should I do if I have COVID-19?

**A:** **Mild symptoms** (similar to a cold).  
Self-isolation for 7 days.  
When with others, wear a face mask at all times and wash your hands before and after touching any objects.  
**Severe symptoms**, such as chest tightness, difficulty breathing, coughing and fatigue.  
Contact the hospital linked to your available healthcare and social security benefits, if any. Or call the CU Health Service Center at 0-2218-0568.
