

My speech N°1: My last travel

Hi my dear classmates.

In this opportunity I want to tell you about my last travel.

In my last travel I went to **Cuzco city**.

I visited **Machupicchu and Ollantaytambo**.

My favorite place was **Machupicchu**.

In addition, I went to a nice restaurant.

There I ate a delicious **Chicharron Cuzqueño**.

I stayed there **1 wonderful week**.

Definitely I had a very nice travel.

This is all for now.

See you soon.
