We both young when I first you

I close my eyes and the flashback starts

I'm standin' there

On a balcony in summer air

See the lights, see the party, the ball gowns

See you make your way through the crowd

And say, "Hello"

Little I know

That you were Romeo, you

pebbles

And my daddy said, "Stay away from Juliet"

And I on the staircase

Beggin' you, "Please don't go, " and I said

Romeo, take me somewhere we can be  
alone

I'll be waiting, all there's left to do is run

You'll be the prince and I'll be the princess

It's a love story, baby, just say, "Yes"

So I sneak out to the garden to see you  
We keep quiet, 'cause we're dead if they  
knew

So close your eyes

Escape this town for a little while, oh oh

Cause you were Romeo, I was a scarlet  
letter

And my daddy , "Stay away from Juliet"

But you everything to me

I you, "Please don't go, " and I said

Romeo, save me, they're to tell me  
how to feel

This love is difficult, but it's real

Don't be afraid, we'll make it out of this mess

It's a love story, baby, just say, "Yes"

I got tired of waiting

Wondering if you ever around  
My faith in you .

When I you on the outskirts of town,  
and I said

Romeo, save me, I've been so alone

I keep waiting for you, but you never come

Is this in my head? I don't know what to think

He knelt to the ground and pulled out a ring

And said, "Marry me, Juliet

You'll never have to be alone

I love you and that's all I really know

I to your dad, go pick out a white  
dress

It's a love story, baby, just say, "Yes"
