

# Traveling in the future

**Listen and complete the dialogue. The roleplay.**

**Lisa:** I'll definitely (1)\_\_\_\_\_ a car when I grow up.

**Gavin:** A car? We'll probably be (2)\_\_\_\_\_ around in spaceships when we're older.

**Lisa:** You're such a dreamer.

**Gavin:** Well, (3)\_\_\_\_\_ in twenty or thirty years.

**Lisa:** So do you think we'll (4)\_\_\_\_\_ taking a spaceship to work every day?

**Gavin:** Why not? I'll be (5)\_\_\_\_\_ in Tokyo and (6)\_\_\_\_\_ in Madrid.

**Lisa:** But the world is running out of oil. If there's no oil, how (7)\_\_\_\_\_ we (8)\_\_\_\_\_ around in spaceships?

**Gavin:** People will discover a new source of fuel, so we (9)\_\_\_\_\_ need oil.

**Lisa:** But if we all have spaceships, traveling won't be exciting anymore! Where (10)\_\_\_\_\_ we go on vacation?

**Gavin:** Maybe we will be visiting other planets.
