A) My name is Dennis. I am a student in a new university with a modern campus.

There is a new library and a large football stadium. There are basketball courts, volleyball courts, and tennis courts. There are ten residence halls for students.

There is a university mall with clothes stores, bookstores, computer stores, cafés, and a food court. There are two banks, a health center, a hair salón, and four parking lots. Our campus is like a town. It is our home.

B) We are university students. There are beautiful, old buildings on our campus. There is a lake and a park with tall trees. Our university is near a town.

There are two campuses, Hill Campus and Lake Campus. There are two libraries, two university restaurants, four cafés and a university store. There is a convenience store on Lake Campus and there are also many bike hubs. There are no cars on campus. There are clothing stores, banks, and a bookstore in town.
