

Activity 6 Organising content in a product review

Usually there are 4 parts in a product review. Discuss these with your classmates and match the expressions in the product review on the right with their correct parts on the left. Then, put down 1 – 4 to show the correct order of the parts in a review.

Order	Part	Expression
	Product description	● ● It only weighs 1 kg. It can inflate a tire within 1 minute.
	Call to action	● ● It is quite pricy but it is a useful tool if you need a quick fix for low tire pressure. .
	Greeting, self-introduction and purpose	● ● Hi everybody. I'm Jason. Today I'm going to review this portable tire inflator pump.
	Give a review	● ● Click the link in the description and use my promo code if you would like to receive a 10% discount. Thank you for watching.
