

Programming - Algorithm Challenge

Task 1

Step	Instruction
1	Input
2	
3	Output

Task 2

Step	Instruction
1	Get numbers
2	Calc total
3	Display total
1	Get numbers
1.1	Get number1
1.2	Get number2
2	Calc total
2.1	Calc total as _____ + number2
3	Display total
3.1	Display number1 + " added to " + number2
3.2	Display "gives a total of " + total

Task 3

Step	Instruction
1	Get numbers
2	Calc answers
3	Display average
1	Get numbers
1.1	Get number1
1.2	Get number2
2	Calc answers
2.1	Calc total as number1 + number2
2.2	Calc average as _____ / 2
3	Display answers
3.1	Display "The total = "
3.2	Display total
3.3	Display "The average = "
3.4	Display average
