Wake me up when September ends

Green Day

Summer has come and passed
The can never last
Wake me up when September ends

Like my fathers come to pass
Seven years has gone so
Wake me up when September ends

Here comes the rain again
Falling from the
Drenched in my pain again
Becoming who we are

As my memory rests
But forgets what I lost
Wake me up when September ends

has come and passed
The innocent can never last
Wake me up when September ends

Ring out the again
Like we did when spring began
Wake me up when September ends

Here comes the rain again
Falling from the stars
Drenched in my pain again
Becoming who we are

As my rests
But never forgets what I lost
Wake me up when September ends

Summer has come and passed
The innocent can never last
Wake me up when September ends

Like my father's come to pass
years has gone so fast
Wake me up when September ends
Wake me up when September ends
Wake me up when September ends
