NAME: **DATE:**

Test: 1st Year

READING:

Read the text about Martina Stoessel.

Her name is Martina and she is twenty-four years old. She was born in Buenos Aires, Argentina. She is a very good singer, and actress.

She has got a big family: her parents, a brother and a sister. Her brother's name is Francisco. Her father's a TV producer. Her mother is her fan and helps her daughter a lot. She's got a pet. It is a small dog called Rosita. It is brown, and adorable.

She has got a favourite band. It is the best band ever, the Beatles. She's got five tattoos and one of them says "All you need is love" and another says "Imagine" in honor to this extraordinary band. She can dance and sing very well. She can speak Spanish, English and Italian.

Answer these questions:

1) Where is Martina from?
2) How old is Martina?
3) Has Martina got a small family?
4) Has she got a pet?
5) What colour is her pet?
6) Is her dog cute?
7) Is she a fan of the Beatles?
8) Who is Francisco?
9) Can she speak German?
10) How many languages can she speak?

Decide if the sentences are TRUE or FALSE:

1) Tiny is Argentinian.
2) She is only a singer.
3) She's got three siblings.
4) She hasn't got a big dog.
5) Rosita is her favourite band.
6) She's got some tattoos.
7) She can't speak more than two languages.

WRITING:
