

When you try your best, but you don't _____
When you get what you want, but not what you need
When you feel so tired, but you _____ sleep
Stuck in reverse

And the tears come _____ down your face
When you lose something you can't _____
When you love someone, but it goes to waste
Could it be _____ ?

Lights will guide you home
And ignite your _____
And I will try to _____ you

And high up above, or down below
When you're too in love to let it go
But if you never try, you'll never _____
Just what you're worth

Lights will guide you home
And ignite your _____
And I will try to fix you
Tears stream down your face
When you _____ something you cannot replace
Tears stream down your face, and I

Tears _____ down your face
I promise you I will _____ from my mistakes
Tears stream down your face, and I

Lights will guide you _____
And ignite your bones
And I will try to fix you

coldplay

song: fix you
