PART A

Read the following text carefully.

It's lunch break. Lillian and Matt are in the playground talking how they spent their weekend

Lillian: today I invite some friends to visit me and we just stay at home. You know, we usually meet at the shopping centre or we go jogging in the park but this time I am so tired that I prefer not to go out. We watch a good film and eat popcorn. It is fun.

Matt: But why are you so tired?

Lillian: Well, during the week I am always very busy after school. I have guitar lessons and basketball practice three times a week. After that I get home and I usually study. This week I have a Math and a Science test, so I have to study a lot.

Matt: I've got to admit that I am very lazy, so the best thing for me is to spend my free time at home sitting in front of the TV. I also like to have my laptop with me, and I am always surfing the net or checking my Facebook page.

Lillian: But this way you don't hang out with your friends, and you don't exercise.

Matt: You're right about exercising but I often meet my friends. For example, on Sunday I am on Facebook keeping in touch with my friends. I am always with them online. Come on, don't look at me like that. I know it's not the same thing as being face-to-face with them but that's how I like it.

Lillian: Well, I have to say that's too dull for me. You would feel healthier and have more fun if you go out with your friends. You can always experience something new. Why don't you go cycling with them next week?

Matt: You're so right. I will ask them.

Lillian: That's the spirit.
