B. Arrange the jumbled paragraphs below into a good descriptive text.

	Nicknamed 'Spiderwoman,' Ayu is one of the highest ranked speed climbers in the world. The height of 167 cm and weight of 57 kg makes her climb fast. She can break the record of 6,9 seconds to climb, defeated Yi Ling Song from China as the previous record breaker during IFSC World Cup 2019. She loves speed. She always wants to compete against herself, beating her own record. To do that, she believes that maintaining her body is very important. She does exercise regularly. Besides, Ayu still consumes both vegetarian and non-vegetarian food.
	Ayu, a female athlete wearing a headscarf, starts her debut internationally in Asia Continental Championship Iran in 2017 as the 3rd winner on Women Speed category. Ayu then becomes the winner in International Federation of Sport Climbing (IFSC) World Cup 2018 on Woman Speed Climbing after defeated Elene Timofeeva. She gets viral. Prior to that accomplishment, she was the world champion two times in a row during the IFSC Climbing World Cup in 2017 and 2018. In May 2019 she was the only Indonesian athlete to make the Forbes Asia '30 under 30' list.
	Acting is also one of Ayu's dreams. It turns out that she starred in a movie entitled "6,9 detik" released in 2019 telling about her childhood and how she won the gold medal. She is actually a shy person, but she loves to talk and socialize also loves discovering new things.
	Ayu likes climbing trees when she was young. Her parents were afraid of her behavior of climbing trees. However, her sport teacher found her to be an athletic athlete in High School and turned her into a sport climber. She gets the new adventure. She feels that same wonder and adrenaline rush with every wall she climbs.
	Aries Susanti Rahayu, usually called as Ayu, is one of Indonesian climber athletes. She was born on March 21st, 1995 in Grobogan, Jawa Tengah. She becomes famous after winning a gold medal in Asean Games 2018. She is the daughter of Sanjaya and Maryati from an inferior family.
