I'm a spaceman
Sent from the moon
Shot off a missole
And heard this tune
Let's float, let's float
Let's float, let's float
Baby, let's float

I'm a spaceman
Sent from the moon
Shot off a missole
And heard this tune
Let's count, let's count
Let's count, let's count
Baby, let's count
