Modals of Speculation Test

Student name: Level:

Instructions: fill in the blanks with the correct modal of speculation (might have, might not have, must have, mustn't have, could have, and couldn't have) plus the verb in parenthesis in past participle which completes the sentence appropriately.

1. I (finish) the report if I had stayed longer at the office. (I didn't stay longer at the office. I went home.)
2. There's no milk in the refrigerator. We (drink) it all. (probability)
3. I can't find my glasses. I (leave) them in the car. (possibility)
4. Tom is usually a good student, but he did poorly on the last test.
   He (not understand) the instructions. (possibility)
5. They (not keep) track of the exact time as the clock didn't exist back in those times.
6. He (not be) hungry because he didn't eat what we gave him.
7. Ann hasn't arrived yet. She (miss) the train.
8. I (stay) up late, but I decided to go to bed early.
