With or without you - U2

See the stone set in your .....
See the thorn twist in your side.
I wait for you.

Sleight of ..... and twist of fate,
On a bed of ..... she makes me wait,
And I wait without you.

With or without you,
With or without you.

Through the storm we reach the .....
You give it all but I want .....
..... I'm waiting for you.

With or without you,
With or without you.
I can't live
with or without you.

And you give yourself away,
And you give yourself away,
And you give,
And you give,
And you give yourself away.

My ..... are tied.
My body bruised, she's got me with
Nothing to ..... and
Nothing left to lose.

And you give yourself away,
And you give yourself away,
And you give,
And you give,
And you give yourself away.
