

Look at these extracts from the podcast.
Complete rules 1–6 with a–f below.

- 1 We use the *-ing* form in these extracts because ...
***Having** something like that on your travels has to be good.*
*... what's more embarrassing – the translation or **saying** your mate's mum is 'nice'?*
 - 2 We use the *-ing* form in these extracts because ...
*Good for **scaring** your little brother ...*
*What's wrong with **using** your own voice?*
 - 3 We use the *-ing* form in this extract because ...
*... what's more **embarrassing** ...?*
 - 4 We use the *-ing* form in these extracts because ...
*Someone's **following** you – a robber or worse.*
*... some creep's **considering** robbing me ...*
 - 5 We use the infinitive with *to* in this extract because ...
*You can use the app on your phone **to lock** or unlock it from anywhere.*
 - 6 We use the *-ing* form and the infinitive with *to* in these extracts because ...
*You don't think he might be more tempted **to rob** me?*
*Imagine **walking** home at night ...*
*It's an app that allows you **to speak** in a foreign language you don't know.*
*... some creep's considering **robbing** me ...*
- a it's part of a continuous tense.
 - b some *-ing* forms are adjectives.
 - c we want to use a verb as a subject or object of a sentence. (It's like a noun.)
 - d we always use an *-ing* form of the verb after a preposition. (It's like a noun.)
 - e some verbs are always followed by an *-ing* form and others are always followed by an infinitive with *to* – that's just the way it is!
 - f we want to explain the purpose or reason for something.
