Ingonyama nengw' enamabala

From the day we arrived on the
And blinking, stepped into the.....
There's more to see, than can ever be seen
More to do, than can ever be done
There's far too much, to take in here
More to, than can ever be found
Let the sun roll in high, through the sapphire
Keeps great and small on the endless round

It's the circle of
And it moves us all
Through despair and
Through and love
Till we find our place
On the, unwinding
In the circle of life
It's the circle of life
And it moves us all
Through despair and hope
Through and love
Till we find our place
On the, unwinding
In the circle, the circle of life
