

# THE MEDITERRANEAN SEA

*Read the text and do the true /false*

The Mediterranean Sea is a body of water that separates Europe, Africa and Asia. It is surrounded by 22 countries. The word "Mediterranean" comes from Latin meaning "middle of the land".

There are more than 3,300 islands in the Mediterranean including Sicily, Majorca and Ibiza. This sea is also the source of great biodiversity. It has many types of marine life - from sharks and dolphins to oysters and clams.

People living along the Mediterranean can enjoy fishing, sailing, swimming, sunbathing, etc. You can watch a beautiful sunset there as well!
