

So what do you do during your free time?

Nathan

I love collecting autographs of my friends and family. Now I want to get some from some famous people.

Chloe

I enjoy lying on my back and looking at the clouds. I try to find different shapes in them. It's really relaxing and I occasionally fall asleep doing it.

Dylan

I like watching the news on TV. I watch it every day. My friends think I'm weird.

Izzy

Once a week my granddad takes me out for a milkshake. I love listening to his stories. It's the best.

Adam

I can't stand walking to school so I sometimes invent little games to help pass the time. For example, I try to think of an animal, or football team or city for every letter of the alphabet.

Liz

I like doing my homework as soon as I get home from school. Is there something wrong with me?

Lewis

I collect bottle tops. I always take one home every time I go to a restaurant.

Tell us your weirdest hobby!

Rebecca

I really like going for a walk on my own in the forest near our house. There's always something interesting to see and I never get bored.

Kuba

I hate being on my own. So when I am by myself I usually start talking to my imaginary friends. But don't tell anyone!

Jasmine

I rarely get bored but if I do I just go to the library and get a book to learn about something new. It works every time.

Daisy

I like writing poems. I often write a poem when I've got nothing to do.
