Karen: He \_\_\_\_\_ me many things about my job and my life in general.

Leslie: What did he \_\_\_\_\_?

Karen: He \_\_\_\_\_ he had very good news for me, he \_\_\_\_\_ he was very happy with my work and that he like to have me there.

Leslie: Ow.

Leslie: And...?

Karen: Then he said I needed a new computer and a training course to get the best out of me.

Leslie: Are you going to stay? Or what are you going to do?

Karen: I don't know, I think he likes me Leslie, I think he's in love with me.

Leslie: Oh Karen! Oh what good news! That's wonderful!

Karen: Do you think so?

Leslie: Why not?

Karen: Because he's giving me all this now because he's in love with me,. What will happen when he falls out of love with me? He will think all this is too much and by then I'll be used to it.

Leslie: Wow! It's only a question of keeping his love alive from day to day, forever.

Karen: Oh Leslie!
