

TASK 9:

For questions 1-5, look at the advice for motivating learners and the three classroom activities listed A, B, and C. Two of the activities match the advice. One activity does NOT. Choose the letter, (A, B, or C) that does NOT match the advice.

1. Promote learner autonomy.

- A) Give learners advice on how to use study resources.
- B) Go over the answers with the whole class.
- C) Give learners a set of goals to choose from.

2. Familiarize learners with the target culture.

- A) Explain that culture covers many kinds of activities.
- B) Watch and discuss soap operas from an English speaking country.
- C) Show the class photos from your last vacation in London.

3. Personalize the learning process.

- A) Discuss with learners the personal hobbies of some famous politicians.
- B) Ask learners to evaluate the opinions in a text according to their own experience.
- C) Give learners a task in which they draw and label their favorite foods.

4. Increase the learner's awareness of their goals.

- A) Ask learners to tick on a checklist the language functions they think they need to learn.
- B) Ask learners what they will learn from completing today's homework.
- C) Ask learners which learning strategies helped them learn best.

5. Increase the learner's self confidence.

- A) Ask the learners to predict what the answer to a problem might be.
- B) Allow learners to move around the classroom whenever they want.
- C) Show learners how a dictionary is organized and what it contains.
