Complete the leaflet with the correct form of the verbs

## Change your life with yoga

oga is a great way to relax if you're feeling stressed, so why not try a class near you? Visit some of the studios in your area and choose the one which you like best. The teacher 'will want' to talk to you when you sign up for a class. He or she will ask you some questions about your general health for the and fitness before you 'go/will go first time. Find out if the studio has equipment. You might have to take your own if the studio 'doesn't have/won't have any. On the first day, the instructor 'tell/will tell you where to stand when you enter the studio. Studios have their own rules, but you will probably need to turn off your mobile phone before the class 'starts/will start Listen to the instructor and watch what the others are doing. The instructor will only come and help you if he or she 'sees/will see that you are having problems. The first class is usually free and you won't have to go back if you 'won't like/don't like it. But most people love yoga. You'll feel very relaxed after the class 's finishes/will finish All you need to do then is to go home, have a nice hot shower and change into some comfortable clothes for the rest of the day.
