Ben and Holly's Little Kingdom S1EP12

1. It looks like playing to me.
2. Won't it be boring for you, princess Holly, watching a lot of sweaty little elves running about.
3. You can't just magic up a trophy. You have to work for it.
4. I didn't get this good at doing spells without lots of practice.
5. May I remind you there is to be strictly no magic, and absolutely no flying.
6. Ah, I've got very sensitive ears!
7. I know Ben's came last, oh, dear, elves can be very touchy about this sort of thing.
8. It was your shouting that made me lose.
9. There's nothing worse than a grumpy elf.
10. I didn't think he was going to do it.
11. As long as they don't, put it up any higher i'm, sure he'll be fine.
12. If he loses he's going to be really upset.
13. You see, i told you, no one would notice.
14. Ben elf, you are disqualified from the high jump.
15. But it wasn't Ben's fault.
16. I could have won the race, and the high jump now, i'm, not going to win anything.
17. You've already messed things up enough.
18. Then who'd have thought a fairy could win the wheelbarrow race!
